Why Us The World's Largest Selection of Mud Motors. Mud Buddy is best known today as the innovators in the shallow water outboard industry. Mud Buddy invented the first long-lasting mud motor bearing and seal system 25 years ago (two patents), the first belt drive mud motors over 15 years ago and today's high horsepower motors that outperform anything within the industry.

### Best Surface Drive & Long Tail Mud Motors | Mud Buddy

The first surface drive motor built under 9 Horsepower. Our Mud Motors include 627 cc, 23 HP V-Twin - 570 cc, 18 HP - 12 HP LCT - 7 HP Kohler. Copperhead is the first mud motor company to design and engineer a true surface drive mud motor. Light weight and powerful for those who love to hunt and fish the shallow back waters.

### Motors | Copperhead Mud Motors

Freedom Motors | \$10,450 (40-hp) Freedom couples the durability and versatility of a mud motor with the power and reliability of an outboard. Available in 40- and 60-hp, they have a closed-loop cooling system, allowing the motor to run in shallow water and mud. They also feature a custom jack plate and a free-float and reverse locking system.

### 8 Best Mud Motors for 2016 - Wildfowl

Bottom line, if I don't want to have my happy stolen by thick patches of mud, water hyacinth, and alligator grass, then I need a mud motor like bird poop needs a freshly waxed sports car. So, I priced a new mud motor with an engine ranging in horsepower from 6.5 to 9 HP. And guess what?...Yeah, that crap just ain't gonna happen.
