Books similar to A Cure to Die For

Death, however, is an "eternal verity" and the "proper" attitude is to concentrate on the deaths that remain rather than those that disappear. For cancers, the absence of any single overriding cure is something to regret as a man of the world. For deaths, it is one more proof of an eternal verity.

Prospects of a Cure for "Death" - Alcor

According to the U.S. Census Bureau, the average life expectancy at the beginning of the 20th century was 47.3 years. A century later, that number had increased to 77.85 years, due largely to the development of vaccinations and other treatments for deadly diseases. Of course, vaccines and treatments only work if they're given, which is why many of these diseases still persist in poorer ...

Cure | Definition of Cure by Merriam-Webster

There's no need to be, because Jesus has provided for you an eternal cure. Romans 6:23 For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord. From the garden of Eden onward, sin has resulted in death, both naturally and spiritually. Adam and Eve were created perfect.
