Women who meet the third and first categories usually fall under the terms 'birth mother' or 'biological mother', regardless of whether the individual in question goes on to parent their child. Accordingly, a woman who meets only the second condition may be considered an adoptive mother, and those who meet only the first or only the third a ...

Mother - Wikipedia

The fact that the Gospels describe women as discovering the empty tomb is a pointer to their historicity. Again, if this was an apocryphal legend, they would not have invented women as the first witnesses and responsible for telling the men. It can sometimes be difficult to remember or even sort through who all of these women were.

Who Were the Six Women Who Saw the Risen Christ?

(Cultura/Seb Oliver) American motherhood has changed in many ways since Mother's Day was first celebrated more than 100 years ago.Today's moms are more educated than ever before. A majority of women with a young child are in the labor force, and more mothers are serving as their family's sole or primary "breadwinner."At the same time, the share of mothers who are stay-at-home moms ...

FOUNDING MOTHERS - History

From #1 New York Times bestselling author Cokie Roberts comes New York Times bestseller Founding Mothers, an intimate and illuminating look at the fervently patriotic and passionate women whose tireless pursuits on behalf of their families--and their country--proved just as crucial to the forging of a new nation as the rebellion that established it. While much has been written about the men who signed the Declaration of Independence, battled the British, and framed the Constitution, the ...
