## **Introduction to Relational Database**

Introduction to  
Relational Database  
Design. Many people  
believe that Access is  
such a simple product  
to use, that database  
design is something  
they don't need to  
worry about. I couldn't  
disagree more! Just as  
a house without a  
foundation will fall  
over, a database with  
poorly designed tables
