Lucretia from The Adventure Zone is the anti-hero variety of this trope. She worked unrelentingly for a decade to almost single-handedly reverse the damage of the Grand Relics, protect her friends, and keep the Hunger away, although her methods were certainly questionable. This attitude and behavior are explained in the Stolen Century arc as being the result of a year she spent on the run from ...

The targeting program being carried out against whistle blowers, activist and civilians is just an extension of the WWII NAZI program of experimentation, torture and mind control used on civilians ran by Josef Mengele. This is probably a result of Operation Paperclip and the integration of these NAZI scientist into the American Government and NASA.
