In the United States, a farm-to-market road or ranch-to-market road (sometimes farm road or ranch road for short) is a state road or county road that connects rural or agricultural areas to market towns. These are better quality roads, usually a highway, that farmers and ranchers use to transport products to market towns or distribution centers.

Farm-to-market road - Wikipedia

The final chapter, "Nuts and Bolts," presents the hard facts of what makes a financially successful operation in an increasingly competitive market. Janet Hurst's The Farm to Market Handbook spends little time on farming methods, but uses her farmers' stories as business textbook examples of marketing applications.
