Forbidden fruit is a name given to the fruit growing in the Garden of Eden which God commands mankind not to eat. In the biblical narrative, Adam and Eve eat the fruit from the tree of the knowledge of good and evil and are exiled from Eden. And the Lord God commanded the man, saying, Of every tree of the

Their Benefits ...**

Fertilizing fruit trees in the fall is discouraged. Most fruit tree owners stop any type of feeding in the late fall and early winter. Fertilizing the fruit trees encourages growth, which is the opposite of what we want the trees to be doing in the fall! Fruit trees should be closing shop for the winter.
