The nature of managerial work Managerial work is fast paced, uncertain, and filled with interruptions and fragmented activities. The tasks performed by a manager every day are varied and intense. However, managers who are able to make good decisions in a short amount of time find a great deal of satisfaction in their jobs.

THE NATURE OF MANAGEMENT

Perhaps work could be more meaningfully defined as an activity that produces something of value for other people. This definition broadens the scope of work and emphasizes the social context in which the wage-effort bargain transpires. It clearly recognizes that work has purpose—it is productive.

ERIC - EJ238269 - The Nature of Managerial Work: A ...

In 1973, Henry Mintzberg – a Canadian academic and author on business and management published a book called ‘The Nature of Managerial Work’. A classic now, Mintzberg based his book on data derived from the time diaries of male executives. The data suggested that managers actually did not spend a lot of time on planning or strategizing.
